I don't like this, but I like that!
If something doesn't work, make it work!
If there's something you desire, take it!
I think and act recklessly -
true to my style.
But that's my best quality.
Don't need stuff like worries.
If you think you can,
you can do it.

The future is a boundless thing.
to find myself in, that eternal space
just may be a very difficult thing.
but the choices that I make will always be
the only correct answer.
Condensation

With no regrets.
With no signs of weakness.
I go forth on my own path!

Notes from the Author's

Ah, even the beginning was difficult. I really wanted to do a lot of preparation
I had planned to try out many different styles for the characters and select the best ones, as well as compare and contrast between many outfits and pick out the nicest. I also wanted to make at least the concept sketches for the entire first volume before even starting the weekly submissions!!
But reality is harsh.
It was a very short amount of time after <Biyou> finished releasing <Demon Diary>, so there was no time for speculations ~_~;;
There are so many parts I could have done better in, that there were times when I lost sleep over my regrets
My heart also grieves at the fact that I can't reply to the e-mail and fan letters that all of you have sent me.
At the moment, all I can do is work hard
<DHC>'s art style is a little different from <Demon Diary>. Some people say that <Demon Diary>'s style was better, but when I received the story for <DHC>, the image I thought of was a bit more modern and lighthearted
Well, all that aside, I believe that Kara's Original Art Flavor is still alive.
I hope that you'll have a wonderful time as you read!

The artist that is always wishing to be one of change, Kara ~~

After grumbling about wanting to see a new story featuring characters of various unique styles and extremely cute bishounens and bishoujos, I ended up writing it myself
After much bouncing and rolling around, the characters have finally come to this point
Back before the writing, in the brainstorming stage, Ah Hin was the main character,
But it ended up with Dong Yun being in center stage
Thanks to that, there are times when the focus and gaze shifts to Ah Hin rather than Dong Yun
(Yup, I have a great weakness for cute characters. Pretty things are great, aren't they. ^)

Although all around, there is a cast of a perverts, a sister-complex patient, and even someone who nearly became the main character instead... Dong Yun, since you're the main character hang in there, and win it out energetically. (Am I just being irresponsible?^)

Either way, the story of a runaway angel Dong Yun Hwang and the rest of the cast (__),
is beginning now.

YOU SHOULD HAVE TAKEN CARE OF THAT STUFF WHEN YOU WERE STILL ALIVE
IT'S BEEN THREE YEARS SINCE YOU DIED AND THE PEOPLE YOU WANT TO PUNISH PROBABLY GRADUATED ALREADY
AND TRASHING THE CLASSROOM SEEMS PRETTY STUPID IF THERE'S NO PLACE TO STUDY THEN THE STUDENTS CAN'T COME TO SCHOOL YOU'D JUST BE MAKING THEM HAPPY
IF YOU WON'T LEAVE ON YOUR OWN, HOWEVER...
YOU'LL LEAVE US NO CHOICE, BUT TO USE FORCE.

"IF YOU WON'T LEAVE ON YOUR OWN, HOWEVER..."

ITS STRENGTH HAS INCREASED.
ITS REACHING ITS LIMITS.

EXORCISING THE GHOST COULD DAMAGE THE STUDENT'S SOUL!
AND... WHAT IF THE STUDENT REMEMBERS EVERYTHING THAT HAPPENED?!

I MIGHT NOT BE ABLE TO GO TO SCHOOL ANYMORE...
IF THAT HAPPENS, THEN WHAT ABOUT MY DREAMS ?
WHAT WILL HAPPEN TO MY "LOVE-LOVE" DREAMS TO GO TO SCHOOL WITH A PRETTY SMILING GIRL?!

SHE FELL IN LOVE WITH HIM

SHE TOLD HIM. .
"YOU ARE HANDSOME AND KIND-HEARTED, AND DESERVE TO BE LOVED."
